Into the Vortex?

Source: The ESGT Megatrends 2022-2023. Diplomatic Courier 2022.

Dear Friends,

"Into the Vortex?"

Yup that's pretty much where the world finds itself at this moment - whether we are talking about economic, political or ESGT issues, wherever you look - we are in an environmentally dangerous world, a socially unstable world, a governance challenged world and a world of tech change that is obliterating the "normal" if we ever had one recently...

And, once again I'm here to tell you that we need to keep making lemonade from the lemons that are being handed to us.

To help you make that lemonade, I'm happy to share a few tools and resources this month:

- I had a delightful and profound conversation with Priscilla Brenenstuhl for her [Athena Alliance podcast "Voices of Athena" which she titled "Transforming Risk into Value"](#). You can listen to it [here](#).
- Athena is also doing a rare and special [public Salon on July 21st for the kick-off of my annual 6 part 2022-2023 ESGT Megatrends Salons](#) with them to unfold over the remainder of the year. You can join us [by registering here](#).
- Following on the Megatrends theme, I am honored to speak at one of a [3-part ESG Series hosted by the Institute for Corporate Directors Malaysia \(ICDM\)](#) taking place Tuesday evening, June 28 at 9pm Eastern (which is 9am Malaysia time on Wednesday morning, June 29th). You can [register here](#).
- I was delighted to be part of an exceptional Center for International Private Enterprise panel at the World Justice Project earlier this month. [Their Anti-Corruption and Governance Blog](#) nicely summarizes the key takeaways of our Panel on ["ESG's Democracy Dividends"](#). Read it [here](#).
- In case you missed the launch, [you can download a complimentary copy of The ESGT Megatrends Manual 2022-2023: An Annual Roadmap for Navigating Risk & Opportunity in Tectonic Times here](#).

On a more personal note, I want to express my deepest gratitude to my peers and mentors for the honor of being [named to the 2022 NACD Directorship 100 this year](#). The Gala on June 22nd was truly unforgettable.

I wish you a safe, strong and resolute period ahead. Until the next time we meet here or anywhere else, cheers,

[Andrea](#)
